INTRODUCTION

This document presents an assortment of statistical data about Maryland postsecondary education. The information is presented for a period of years, so that trends can be highlighted.

The **Trend Book** is organized by topic into nine sections.

1. ***Factors Affecting Enrollments*** - This section traces trends in the college-going rates of Maryland high school seniors, their intended major, their college admission test scores, and their performance in college.

2. ***Enrollment*** - This section examines trends in enrollment at Maryland campuses -- by level, gender, race, residency and program.

3. ***Retention, Transfer and Graduation*** - This section looks at transfer patterns and the retention and graduation rate of students.

4. ***Degrees*** - This section presents trends in the number of degrees and certificates awarded at Maryland campuses, including by race and gender.

5. ***Graduate Outcomes*** - Both the community college graduates and bachelor's degree recipients from the public campuses have been surveyed about their post-graduation education experience and their occupation situation. This section provides trends in this information, as well as placement rates of students at private career schools.

6. ***Faculty and Staff*** - This section presents trends in the number of faculty and staff at the state's public colleges and universities, including breakdowns by race and gender.

7. ***Campus Resources*** - This section displays information about revenues and expenditures at Maryland public campuses, general fund support for higher education, and capital projects.

8. ***Tuition and Fees*** - This section shows trends for annual undergraduate tuition and mandatory fees for residents and nonresidents at Maryland public four-year campuses. It also shows the credit hour tuition rates for community college students and graduate/professional students at public institutions.

9. ***Student Financial Aid*** - This section supplies information the amount of money provided in undergraduate financial aid, the percentage of Maryland students receiving assistance, and funding for state scholarship programs.

Notes: BCCC was an entity of Baltimore City until state assumption in FY 1991. Community [illegible] includes BCCC prior to FY 1991. MD Higher Education Commission includes general administration, general administration educational grants, Sloan Doody Grant, Eminent Scholars Program, Interstate Educational Compacts, and Private Donation Incentive Grant. Beginning in FY 1994, Ag. Experiment Station and Coop. Extension Service are included in UMCP. Prior to FY 1991, Bowie Service Center is included in System Administration (FY92-FY93 adjusted per discussions with DBM); FY 1991-95 the Center is apportioned to institutions. Bowie and System Admin adjusted for Service Center in FY 1990.

General fund support for higher education has risen steadily for the last seven years and has grown by 64% since FY 1992. However, this trend is threatened by the State's budget crises.
